## **Description of Class:**

During this 10-week class, we will travel to nine different countries around the world. Together, we will learn about the flag, geography, history, people, landmarks, holidays, and culture of the country. At home, students will choose to create one art or cooking project from choices provided! Students will share their projects during class the following week!

Students will be provided with a passport in which they will record favorite facts, draw the flag and more!

As a final project, each student will choose one country that we did not learn about (not including the United States) and prepare a 4-minute presentation about the country.
